PROFILE

Full stack developer | Fresher with expertise in MongoDB, Express.js, React.js , and Node.js eager to develop scalable web applications and APIs. Passionate about problem-solving, front-end optimization , and state management. Seeking an opportunity to learn and grow in a dynamic tech environment.

PROJECTS

BulkMail – Bulk Email Sending Application

Jun 2026 – Jun 2026

Self Project

<https://bulkmail-frontend-gray.vercel.app>

Skills – React.js, Node.js, Express.js, MongoDB, Resend API, SheetJS, Tailwind CSS

- Built a full-stack bulk email application where users can upload an Excel file and send emails to multiple recipients at once
- Integrated Resend API for reliable email delivery over HTTPS
- Used SheetJS (xlsx) to parse Excel files and extract email addresses
- Stored email credentials securely in MongoDB Atlas
- Deployed frontend on Vercel and backend on Render with CORS configuration

Weather App

Jun 2026 – Jun 2026

Self Project

<https://weather-app-kohl-tau.vercel.app/>

Skills – React.js, JavaScript, Tailwind CSS, API, Vercel.

- Developed a responsive weather application that provides real-time weather information based on user search.
- Integrated a weather API to fetch and display live weather data, including temperature, humidity, wind speed, and weather conditions.
- Implemented dynamic data rendering using React state management and API calls.
- Designed a clean and mobile-friendly user interface for a seamless user experience.
- Deployed the application online using Vercel. The app supports real-time weather updates and location-based weather information.

EXPERIENCE

Front-End Developer Intern

[Unified Mentor] | 3 Months

- Developed 3 front-end web projects using HTML, CSS, JavaScript, and React.js
- Built responsive and user-friendly interfaces with modern UI/UX principles
- Worked on front-end optimization and reusable UI components
- Implemented responsive layouts for desktop and mobile devices
- Improved website functionality and performance through testing and debugging

EDUCATION

KCG College of Technology, Chennai

B.E.ComputerScience&Engineering | CGPA: 7.5

2020 – 2024

Sree Saravana Niketan Matriculation School, Nerinjipettai

HSC | 75%

2019 – 2020

Talent Matriculation School, Ammapettai

SSLC | 82%

2017 – 2018

CERTIFICATES

- Full Stack Web Development – Error Makes Clever (2026)
- Prompt Engineering – Error Makes Clever (2026)
